### *Karen Simon Poses a Threat To Your Office Working Style*

**Karen Simon** is a professional eliminator of bad habits which one may have woefully cultivated over a lifetime of work.

'To get rid of disorganized clutter,' she said, 'Think of the 5 feet span around you as million dollar space. Only keep items within this small space as most frequently used. Piled up papers are lost and have no home; whereas papers filed vertically with labels have homes and can be found quickly. Save 15 minutes to plan for the next day.'

She brought a portable Fujitsu Scansnap Scanner used to identify and store papers, plus a portable vertical folder holder with labels [see photo above].

**Karen** was accompanied by **Lehua Kauhane**, and both were introduced by speaker chair **Gil Fujiyoshi**.

### *D5000 Rotary Shirt Still Being Sold*

Sporting his new red Rotary shirt, **Pres Derek Tenn** mentioned that district secretary **Naomi Masuno** may be contacted for a shirt purchase. The shirt project undertaken by the district is commemorating Rotary's Hawaii centennial in 2015-16.

### *District 5000 Foundation Dinner*

District Secretary **Naomi Masuno** announced that a Foundation dinner will be held Jan 31 at the OCC to fete next level Paul Harris contributors amongst whom are **Past Pres Roland Chun** and **Past Pres Gil Fujiyoshi**.

### *A Note from Rod Moriyama*

**Rod Moriyama** has informed Rotarians that **Past Pres Pat Tsuji** appreciates all the phone calls, cards, and emails he has received. Please continue to write or email.

He is under constant pain with the extensive chemo therapy and because of his weakened state, the family is reluctant to have any visitors. Please send your thoughts and prayers to this wonderful man.

### *Richard Ing to Attend PETS*

**Pres Elect Richard Ing** will attend the Far West PETS [President Elect Training Seminar], consisting of nine Rotary districts of CA, NV, and HI. District Governor Elect **Del Green** will head the delegation to San Jose on March 6th. Attendance is mandatory for all incoming club presidents.
