

PRIVATE COACH FOR PROFESSIONAL ORGANIZERS

A VALUABLE INVESTMENT IN YOUR FUTURE

Learn the Secrets for Success from an Experienced Professional Organizer

Athletes and performers are not the only ones who benefit from the expertise of a Coach. Your "Personal Coach," Donna D. McMillan, will empower you and help you focus on accomplishing your goals step-by-step. She also offers guidance in the marketing and management of your organizing business. As a veteran in this unique industry, Donna has been a coach, trainer, mentor and "cheerleader" with the expertise to bring you up to your highest potential. She firmly believes that each of us can achieve our highest potential when we possess a desire to succeed, and she provides gentle, positive support and motivation. Confidentiality guaranteed.

What benefits will you receive? Over 25 years of experience as a fulltime entrepreneur, Professional Organizing Specialist, Coach, Trainer and Speaker. For the Novice, Intermediate or Experienced Professional Organizers ... this Coach will expose new opportunities, enlighten you about your own talents and target specific directions to aim toward immediately.

Donna has been a Private Coach and Workshop Trainer for Professional Organizers since 1993. She has also presented 4 workshops at NAPO National Conferences and entrepreneurial training courses for new organizers in Holland (1998-2000) with colleague, Anne-Lies Van Overbeek of The Get Organized Institute.

Feeling alone or overwhelmed? On every level, business owners often feel the need to "get back on track" or that they've run out "steam." Many work alone, having no one for accountability or brainstorming on ideas ... Donna calls this "Caveman Syndrome." Her extensive knowledge and enthusiastic approach will make a difference for you, your business and your future!!!
